1. [REDACTED] has been counseled that voluntary termination of duty in a flying status is considered permanent by the Commandant of the Marine Corps.
2. Effective date of the termination of flight status is 25 March 2010, when [REDACTED] delivered his formal written request.
3. [REDACTED] struggled academically in the flight program prior to this request. However, these difficulties were not due to any lack of effort on his part. He has consistently displayed admirable qualities for a Marine Corps Officer in the face of adversity. He is diligent and hard-working and has adopted a positive attitude throughout this process. I recommend he be reassigned according to his request and the needs of the Marine Corps.
